An Evening of Fashion, Food & Wine

Dear Cuisine for Healing Supporter,

We are asking you to consider supporting the 3rd annual ***Survivors in Style: An Evening of Fashion, Food & Wine***, a community fundraising event for Cuisine for Healing. Cuisine for Healing is a non-profit organization dedicated to making nutritious, delicious food readily available to people combating disease, while providing education about the power of healing food. Funds raised will help support the Cuisine for Healing Outreach Food Program, which offers fresh, healthy Cuisine for Healing Certified Foods to low income cancer patients. Our Outreach Program offers two healthy, delicious meals per day, seven days per week to qualifying cancer patients.

Survivors in Style will feature nine incredible women modeling the latest in Spring Fashion and sharing their stories of surviving cancer. Come join us in this celebration and enjoy the cocktail hour with complimentary wine and champagne, an assortment of tempting appetizers, an opportunity to win prizes and an atmosphere of fun and celebration.

Thursday, April 26th, 2012 5:30 - 7:30pm
