

An evening of fun, food, music & laughter  
*Supporting*

**Dear Supporter of Health Services for Cancer Patients:**

Did you know that 40% of cancer patients die from causes related to malnutrition, not from the cancer itself?!

We are asking you to consider supporting *A Night on the Wilkie Way*, a community fundraising event for Cuisine for Healing, a non-profit organization founded by Wendy Wilkie that is committed to making nutritious, delicious food readily available to people combating disease while providing education about the power of healing food.

*A Night on the Wilkie Way* will include tasting stations from Fort Worth area restaurants, with samples of delicious food that meet the Cuisine for Healing guidelines for healthy eating:

- \* Hormone-free
- \* Preservative-free
- \* Antibiotic-free
- \* Pesticide-free
- \* Free of trans fats
- \* Free of refined sugar
- \* Free of artificial sweeteners, flavors & colors
- \* Organic when possible

Attendees will be treated to uplifting entertainment that will tickle funny bones, touch hearts and lighten souls. Information will also be available from select support services for people living with cancer.

**Wendy Wilkie**, our brave friend and **founder of Cuisine for Healing**, said it best:

"When someone is fighting a life-threatening disease, nutrition is vital to their survival and quality of life. Their tastes change, their appetites and energy are greatly diminished, and they are too tired to shop and prepare their own food. Healthy, ready-made food needs to be available to meet these needs!"

Please join us in our mission to help cancer patients receive the healing, nutritious food their bodies so desperately need.

Thank you for your support,

Tami Morrison, Chairperson, and the entire *A Night on the Wilkie Way* committee
